

The Loft at Pickwick Place Decorating Options and Rental Items

Your day should be everything you dream of and more! That's why we want to take the stress off of you by offering classic, affordable rental items and *Looks*. Rental items are pieces available individually. In some cases, multiple quantities are available. *Looks* take that one step farther and not only do they include the items needed, but they also include set-up. Let our fantastic event designer work with you to customize *Looks* to match your vision and event specific colors and feels. Our options are always changing!

If you don't see something you'd like, just ask.
