Guidelines:

Working Farm: The flower patch/sunflower field, produce fields, and surrounding property is a working farm. There may be times when staff and equipment are working in the field while photographers are on site. Please be courteous to all staff on site and be mindful of the work they are doing. This is our busy season and we have short timeframes that we need to get our fieldwork completed.

(continued on next page)

Flowers: If photographers and/or clients would like to pick flowers, vases may be purchased and must be communicated to The Ohio Flower Girls at least 48 hours prior to arrival. All cut or damaged flowers must be paid for.

U-pick Events: The u-pick flower patch will be closed during the The Ohio Flower Girls u-pick events. Should a photographer come during a u-pick event, they will be asked to utilize part of the field that is not being used by the event. Once the event is completed, the u-pick patch will re-open.

On Site Props: If photographers utilize props that are on site, please put them back where found at the end of the session. Please also pick up and properly dispose of any trash. If not, an additional convenience fee may be charged. Photographers may bring their own props.

Liability: The Ohio Flower Girls LLC and The Pickwick Place are not responsible for any accidents or incidents that may occur during a scheduled professional session. Alcohol and smoking are not permitted on the property grounds.

If a photographer is on site taking professional photos and does not have a purchased photographer pass, they will be asked to purchase at least an hour photographer pass plus a \$15 fee.

By signing below, the pass holder is stating that you understand and agree to the guidelines and terms outlined above. Your 2022 Professional Photography Pass is valid through December 31st, 2022.
